Dear Supervisors:

**STREET LIGHTING DISTRICTS
ANNEXATIONS AND LEVYING OF ASSESSMENTS FOR
COUNTY LIGHTING MAINTENANCE DISTRICT 1687 AND
COUNTY LIGHTING DISTRICT LLA-1, UNINCORPORATED ZONE, AND
NEGOTIATED EXCHANGE OF PROPERTY TAX REVENUES
PETITION NO. 140-1003 (AILERON AVENUE), VALINDA AREA
SUPERVISORIAL DISTRICT 1
3 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the enclosed Engineer's Report, either as filed or as modified, regarding annexation of territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and levy of assessments within the annexed territory for street lighting purposes.
2. Adopt the enclosed Resolution of Intention to Annex Territory to County Lighting Maintenance District 1687 and to County Lighting District LLA-1, Unincorporated Zone, and to Order the Levying of Assessments within the Annexed Territory for Fiscal Year 2006-07. A copy of the diagram showing the proposed annexation territory is enclosed.
3. Set a date for a public hearing regarding the proposed annexation and levy of annual assessments within the annexed territory for street lighting purposes, with a base-assessment rate of \$5 for a single-family residence within County Lighting Maintenance District 1687 for Fiscal Year 2006-07.

4. Instruct the Executive Officer of your Board to cause notice of the public hearing by mail at least 45 days prior to the date of hearing scheduled for _____. The mailed notice will include assessment ballots.
5. Instruct the Executive Officer of the Board to cause notice of the public hearing to be posted in three conspicuous places within the territory to be annexed and to publish the notice of public hearing once a week for two successive weeks in a newspaper of general circulation. Such posting and publication to be completed at least 10 days prior to the date of hearing, pursuant to Section 5838 of the California Streets and Highways Code.

AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT YOUR BOARD:

1. Order changes, if needed, in any of the matters provided in the Engineers Report, including changes in the improvement, the proposed diagram, or the proposed assessment.
2. Order the tabulation of assessment ballots submitted, and not withdrawn, in support of or opposition to the proposed assessment.
3. Determine whether a majority protest against the proposed annexation or assessment exists.
4. Adopt the enclosed Resolution Ordering Annexation of Territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, confirming a diagram and assessment, and levying of assessments within the annexed territory for Fiscal Year 2006-07, and the enclosed Joint Resolution Approving and Accepting the Negotiated Exchange of Property Tax Revenues resulting from Annexation of Petition No. 140-1003 to County Lighting Maintenance District 1687 either as proposed or as modified by your Board. If there is no majority protest against the proposed annexation or assessment, the adoption of the Resolution Ordering Annexation will constitute the levying of assessments in Fiscal Year 2006-07.
5. Find that the annexation and assessment are for the purpose of meeting operating expenses; purchasing supplies, equipment, or materials; meeting financial reserve needs and requirements; and obtaining funds for capital projects, including the installation, operation, and maintenance of street lights necessary to maintain service within the area proposed for annexation.

6. Instruct the Executive Officer of the Board to file a copy of the Resolution Ordering Annexation and the Joint Resolutions Approving and Accepting the Negotiated Exchange of Property Tax Revenues with the County Assessor, Ownership Services Section (Attention Soledad Osborne); and Auditor-Controller, Tax Section (Attention Kelvin Aikens).
7. Make a finding terminating the annexation, levy of assessments, and property tax transfer proceedings for Petition No. 140-1003 if the proposed annexation and levying of assessments have been rejected as a result of a majority protest.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

This recommended action is for your Board to annex the territory into County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and levy assessments for Fiscal Year 2006-07, on the benefitted properties within the annexed territory for street lighting purposes. It is also recommended that your Board approve the exchange of property tax revenues among those nonexempt agencies whose service area is subject to the jurisdictional change.

Your Board previously approved and filed Petition No. 140-1003 (Aileron Avenue), and adopted a Resolution Initiating Proceedings to annex territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and to form Improvement Zone 535. The petition favoring the installation of street lights and formation of Improvement Zone 535 was signed by property owners representing 60 percent or more of the area. However, the formation of Improvement Zone 535 is no longer needed as revenue from the Puente Hills Landfill Trust Fund will fund the costs of installing seven street lights on concrete poles with overhead wiring. Therefore, the ballot that is sent to the owners of record will not include any reference to Improvement Zone 535. This annexation area is located in the County of Los Angeles but is not currently located within County Lighting Maintenance District 1687 or County Lighting District LLA-1, Unincorporated Zone.

Implementation of Strategic Plan Goals

This action is consistent with the County Strategic Plan Goal of Fiscal Responsibility, as this annexation, levy of assessment, and property tax transfer provides the funding necessary for the operation of new street lighting facilities within the annexed territory.

FISCAL IMPACT/FINANCING

Sufficient funds are included in the Fiscal Year 2005-06 budget for County Lighting Maintenance District 1687 to pay the estimated annual cost of \$810 for operation and maintenance of seven street lights within the petitioned area should operating, maintenance, and energy charges be incurred prior to the end of Fiscal Year 2005-06.

In subsequent fiscal years, the ongoing operation and maintenance costs of the street lights within this annexed territory will be funded by a portion of the Lighting District's share of ad valorem property taxes collected from property owners within the annexed territories, supplemented by assessments annually approved by your Board. The estimated \$14,000 installation cost of seven 9,500-lumen high-pressure sodium vapor street lights on concrete poles with overhead wiring will be paid for by the Puente Hills Landfill Trust Fund. The annexation will result in a minimal property tax growth transfer from the affected taxing entities including the County General Fund, County Library, Road District No. 1, County Fire Department, and the Los Angeles County Flood Control District.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The enclosed Resolution of Intention must be adopted to set a date for the required public hearing. Your Board, at the close of the public hearing, may delay its determination regarding the annexation and levying of assessment until a later date, continue the public hearing to receive further testimony, or make a determination regarding the annexation and assessment.

Under Proposition 218 (State Constitution Article XIID), it is necessary to follow the procedures for levying of assessments previously authorized by your Board, including the sending, receipt, and tabulation of ballots. The assessment will only be levied if the weighted majority of ballots returned are in favor of the assessment. The required public hearing shall be scheduled for Tuesday, _____.

Section 99.01 of the Revenue and Taxation Code provides that affected agencies must approve and accept the negotiated exchange of property tax revenues by Resolution. For those agencies with their own governing boards who fail to adopt a Resolution providing for the exchange of property tax revenues, your Board can approve the exchange of property tax revenue for that agency.

The Joint Resolution Approving and Accepting the Negotiated Exchange of Property Tax Revenues approved by nonexempt taxing agencies is enclosed for your consideration.

The Honorable Board of Supervisors
November 10, 2005

The boundaries of the proposed annexation have been reviewed and approved by Public Works and the County Assessor in accordance with the requirements of Section 58852 et seq. of the Government Code.

Following your Board's approval of the annexation, levy of assessment, and exchange of property tax revenues, Public Works will file with the State Board of Equalization the statement of boundary changes as required by Section 54900 et seq. of the Government Code.

The enclosed Resolutions have been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

This project is exempt from the California Environmental Quality Act pursuant to Section 21080(b)(8) of the Public Resources Code and Class 1(x)27 of the County's Environmental Document Reporting Procedures and Guidelines approved by your Board.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Not applicable.

CONCLUSION

At such time as these recommendations may be adopted, please return one adopted copy of this letter and the signed Resolutions to Public Works. Also, please forward one adopted copy of the letter and Resolutions to the County Assessor, Ownership Services Section (Attention Soledad Osborne); and to the Auditor-Controller, Tax Section (Attention Kelvin Aikens).

Respectfully submitted,

**COUNTY OF LOS ANGELES
DEPARTMENT OF PUBLIC WORKS
ENGINEER'S REPORT
PETITION NO. 140-1003**

The Board of Supervisors of the County of Los Angeles previously adopted a Resolution Initiating Proceedings for the annexation of Territory to County Lighting District LLA-1, Unincorporated Zone, pursuant to the California Streets and Highways Code Landscaping and Lighting Act of 1972 for the purpose of providing for the cost of operating and maintaining seven street lights on concrete poles with overhead wiring within the annexed territory, as shown on the diagram, plans and specifications attached hereto. The estimated \$14,000 installation costs of the street lights will be paid by the Puente Hills Landfill Trust Fund. The annual operating cost of the street lights is estimated at \$810. In addition, Public Works was ordered to prepare and file an Engineer's Report in accordance with Section 22565 et seq. of the Streets and Highways Code. This Report was prepared in response to that directive.

With the passage of Proposition 218 by the California voters in November 1996, the levy of an assessment is now subject to certain provisions under Article XIID of the California Constitution. This Report conforms with the applicable provisions of Proposition 218.

County Lighting Maintenance District 1687 is an established Street Lighting District and was fully funded from ad valorem property taxes prior to the passage of State Constitutional Amendment XIII-A, which limited the maximum amount of ad valorem tax on real property. The ad valorem property taxes received under the guidelines established by the State Legislature subsequent to the passage of this amendment are not sufficient to pay the cost of the street lighting in the District. Therefore, County Lighting District LLA-1 was formed under the Landscaping and Lighting Act of 1972 to provide supplemental funding.

The Landscaping and Lighting Act of 1972 provides for the assessment of street lighting costs against the benefitted property within the Lighting District in proportion to the benefits received. A method of distributing the street lighting costs on the basis of land use and utilizing land-use data compiled by the County Assessor was approved by the Board of Supervisors on May 22, 1979, and amended on July 22, 1997, to include government-owned or leased parcels. A report showing the approved method and the assessment units to be assessed on the various types of lots and parcels is on file in the office of the Board of Supervisors and is made a part hereof by reference.

The parcels of real properties affected are shown in Appendix A. The parcels are more particularly described in a map prepared in accordance with Section 327 of the Revenue and Taxation Code, which is on file in the office of the County Assessor and is made a part hereof by reference.

In accordance with Proposition 218 provisions, parcels within a lighting district that are owned or used by any Governmental agency are now subject to street lighting assessments in districts where a new assessment is proposed.

The cost of operating and maintaining these lights can be financed by means of a special assessment, which can be applied to the benefitted property owners. For Fiscal Year 2006-07, the annual base-rate assessment is \$5 for a single-family residence within County Lighting District LLA-1, Unincorporated Zone, with proportionately higher rates for other land uses.

We believe that it would be in the public interest to install seven street lights in the designated area, as requested by the signers of Petition No. 140-1003, and to provide for their operation and maintenance.

**NOTICE OF PUBLIC HEARING
OF THE BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES DEPARTMENT OF PUBLIC WORKS
TO CONSIDER ANNEXATION OF TERRITORY TO
COUNTY LIGHTING MAINTENANCE DISTRICT 1687
AND COUNTY LIGHTING DISTRICT LLA-1, UNINCORPORATED ZONE
PETITION NO. 140-1003**

Notice is hereby given that a public hearing will be held by the Board of Supervisors to consider the annexation of territory known as Petition No. 140-1003 to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone. Said hearing will be held on Tuesday, _____, at 9:30 a.m., in the Hearing Room of the Board of Supervisors, Room 381B, Kenneth Hahn Hall of Administration, 500 West Temple Street (corner of Temple Street at Grand Avenue), Los Angeles, California 90012.

This territory, whose street location is described below, is proposed for annexation to the County-administered Lighting Districts and for the collection of assessment revenues to pay for their operation and maintenance.

The proposed annual street lighting assessment is \$5 for a single-family home.

- Petition No. 140-1003: Aileron Avenue north of Francisquito Avenue in the Valinda area.

The levy of a new assessment is now subject to property owner approval with the passage of Proposition 218 (approved by California voters in November 1996) which provides for property owners to determine by ballot whether or not they approve of the proposed assessment for this purpose. As required under Proposition 218, assessment ballots will be mailed to all property owners of parcels within the territory proposed for annexation at least 45 days in advance of the public hearing. All assessment ballots must be received by the County before the conclusion of the public hearing. Ballots will be tabulated at the conclusion of the public hearing. The assessment will not be levied and the territory will not be annexed if the weighted majority of the returned ballots submitted are opposed to the increase. The ballots are weighted according to the amount of the street lighting assessment paid by each property owner.

In addition to returning the assessment ballots, property owners may file with the Executive Officer of the Board of Supervisors a written protest against the proposed annexation at anytime prior to the conclusion of the public hearing. The written protest must identify the property owned and must state all grounds for objection. The protest may be withdrawn in writing prior to the conclusion of the public hearing. A majority protest will cause abandonment of the proposed annexation. If you wish to file a written protest, you may address it in writing to:
